Cleveland Hall 306
(716) 878-5811

The Career Development Center (CDC) provides a full range of career counseling services to help students select a major, plan a career, apply to graduate school, and identify internship and employment opportunities. They also connect students with information about career options with Buffalo State majors. Assessment and exploration programs are available to assist in selecting a career well-suited to student's interests, strengths, and other personal characteristics. In addition to hosting ORCA, where students can find full-time, summer, and part-time jobs, as well as internship opportunities, the CDC links students with employers and successful alumni through job fairs, on-campus interviews, and job-search programs.
