

# GRADUATE STUDENT ASSOCIATION

The Graduate Student Association (G.S.A.) (<http://gsa.buffalostate.edu>) is the representative body for matriculated graduate students at Buffalo State. It was established by voting graduate students during the spring semester of 2012. The organization was developed to provide a voice to the graduate student population at Buffalo State and to support them in professional development opportunities. For more information, please contact the Graduate Student Association ([gradstudentassoc@buffalostate.edu](mailto:gradstudentassoc@buffalostate.edu)).
