Information Technology supports computing hardware, software, and networking for instruction, research, and administrative activities on campus. Public and department-specific networked labs are available for student use. Secure and guest wireless access are available across campus. Labs are equipped with up-to-date computers and a variety of standard and curriculum-specific state-of-the-art software to support the educational needs of the campus. The IT Knowledge Base (<https://buffalostate.teamdynamix.com/TDClient/2003/Portal/KB/>) provides answers to campus computing and technology related questions. The IT Service Catalog (<https://buffalostate.teamdynamix.com/TDClient/2003/Portal/Requests/ServiceCatalog/>) provides additional information and supporting materials. The campus community may also visit or call the Help Desk for assistance.
