## **A/V Equipment Loan Service Request**

Classroom Equipment Loan provides various types of A/V equipment for use on campus—including sound systems, and certain A/V accessories. The office also offers training and consultation for event setups involving audio or video needs. Faculty, staff, students, and student groups at Buffalo State may borrow equipment for on-campus use, free of charge. Loan requests should be placed a minimum of one business day in advance. Please note that the office is unable to provide walk-in service. All services are by appointment only.
