Instructional Design and Distance Learning (IDDL)
provides guidance and leadership for teaching in the online
environment and delivering engaging high-quality courses,
while providing support for the use of educational technology
and promoting innovative practices to improve the quality of
educational experiences.

Additional assistance with Brightspace is available through the
SUNY Online Support Services Help Desk, 1-844-673-6786
(1-844-OPENSUNY), or by submitting an online request
through the **Open SUNY website**.
