

# ADVISEMENT

The department chair/graduate coordinator designates a member of the graduate faculty to serve as an adviser to the student and to assist in planning the course of study. It is the student's responsibility to seek a conference with the adviser before registration (<http://ecatalog.buffalostate.edu/graduate/academic-policies/registration/>), moving into degree candidacy (<http://ecatalog.buffalostate.edu/graduate/academic-requirements/candidacy/>), and application for graduation (<http://ecatalog.buffalostate.edu/graduate/academic-requirements/graduation-commencement/>).
