

CUMULATIVE GPA

A student's cumulative grade point average (GPA) is computed by dividing the total number of quality points by the total number of credit hours attempted in all semesters of attendance at Buffalo State. As with the semester GPA, only grades carrying quality points are included. Courses taken at other institutions are not included, with the exception of accepted cross-registration credits, which are counted toward GPA. Refer to SUNY Cross Registration Deadlines (<https://registrar.buffalostate.edu/suny-cross-registration-deadlines/>).
