

BUFFALO STATE STUDENT EMAIL

Students are required to check their Buffalo State Gmail accounts regularly, especially during registration. Students on a waitlist should check their Buffalo State Gmail accounts at least daily. Email notifications are sent when a seat becomes available. All correspondence to faculty members or college staff should be sent from your Buffalo State student Gmail account.

Refer to the Student Email Policy (<https://deanofstudents.buffalostate.edu/e-mail-policy/>) and the setup and reset student email information on the Information Technology website (<https://buffalostate.teamdynamix.com/TDClient/2003/Portal/KB/ArticleDet/?ID=28156>).
