A/V Equipment Loan Service Request

Classroom Equipment Loan provides various types of A/V equipment for use on campus—including sound systems, banner stands, and certain A/V accessories. The office also offers training and consultation for event setups involving audio or video needs. Faculty, staff, students, and student groups at Buffalo State can borrow equipment for on-campus use, free of charge. Please note that the office is unable to provide walk-in service. All services are by appointment only.
