Math Support Services

Butler Library Academic Commons (room 147)

academicsuccess.buffalostate.edu/math-center (<https://academicsuccess.buffalostate.edu/math-center/>)

Math Support Services offers a safe, supportive space for students to practice mathematics and build their math confidence. Both peer and professional tutors can help with most undergraduate mathematics and statistics courses and with math content in courses from other departments. We also provide support for a variety of mathematical technologies. Students may make appointments through Bengal Success Portal or just walk in. Both in-person and virtual tutoring options are available.

Writing Support Services

Butler Library Academic Commons (room 143)

academicsuccess.buffalostate.edu/writing-center (<https://academicsuccess.buffalostate.edu/writing-center/>)

Writing Support Services offers an array of free services to assist students with any writing assignment or project, at any stage of the writing process. Friendly peer and professional tutors are available to help students with brainstorming, drafting, revising, editing, and any other writing needs or questions. Students may make appointments through Bengal Success Portal or just walk in. Both in-person and virtual tutoring options are available.

General Subject Support Services

Butler Library Academic Commons (room 145)

academicsuccess.buffalostate.edu/tutoring-services-1 (<https://academicsuccess.buffalostate.edu/tutoring-services-1/>)

General Subject Support Services provides free peer and professional tutoring and workshops for students seeking extra help in their courses. A team of tutors is ready to address questions regarding both coursework and scholarship. Tutors meet with students one-on-one or in small groups, handling an array of courses. Students may make appointments through Bengal Success Portal and check the list of tutors to see if they also accept walk-ins. Both in-person and virtual tutoring options are available.
